

Impartiality Statement

Our core values and processes

Safeguarding Impartiality

"One of Ingkwazi BEE Verification's core values and also a key element to our Code of Ethics, is impartiality. It is therefore essential for Ingkwazi BEE Verification to manage any potential conflict of interest to safeguard the impartiality of Ingkwazi BEE Verification BEE audit and certifications services rendered.

This is in order to protect Ingkwazi BEE Verification objectivity and brand, ensure customer satisfaction and comply with the rules of SANAS accreditation and regulatory bodies.

Ingkwazi BEE Verification has defined and maintains a strict impartiality policy and monitors this closely through both internal and external impartiality committees established within the organisation."
